

MODERN MANAGEMENT OF
CLEFT LIP & PALATE

Mr Ravi Saravanamuttu
Course Convenor
Consultant in Restorative Dentistry
KCL Dental Institute

This course is aimed to highlight issues related to the management of individuals with cleft lip and palate in adulthood. The particular needs of such patients have often been overlooked in the planning of cleft services and this meeting aims to highlight those pertinent issues related to life-long care of such individuals.

The course will be useful to all involved in the care of cleft patients at all stages of training and practise, particularly those who may not be seeing a large volume of such cases. It will also be of interested to commissioners of healthcare and those who have an interest in the subject.

This Study Day will attract
5 CPD credits

Please return completed application forms to the
Education Department by
23 October 2009

Please note that there is a fixed
cancellation charge of 10%.
Cancellations made 2 weeks prior to
the course will result in no refund.
